Station Cotacamund, Dated the 22nd January 1932,

From (Name) Lieut-Col. G. W. Maconachie, M.B., I.M.S.,
(Designation) Chief Inspector of Certified Schools.

To The Secretary to the Government of Madras,

Law (General) Department.

Sir,

In forwarding herewith, a copy of letter No. Dis. 51/32 dated the 14th January 1932 from the Superintendent, Junior Certified School, Bellary, I have the honour to request that in the circumstances stated therein, Government will be pleased to sanction the appointment of a wholetime sub Assistant surgeon for the school, with effect from the date of closing of the Alipuram Jail, Bellary.

It is not possible to depute any of the Sub Assistant surgeons employed in the Central Jail, Bellary or the

Wellesley Sanatorium Jail, Bellary to the school, as they have all got as much work as it is possible for them to properly carry out. Further the Central Jail, Bellary where there is only one Sub - Assistant Surgeon, who is fully occupied with work in connection with new admissions to Jail as well as care of sick out-patients and sanitary duties of the jail is situated 3 miles away from the school.

In the interests of efficient medical administration of the school, I consider the appointment of a separate Sub Assistant Surgeon as in the Senior Certified School, Chingleput and the - Junior Certified School, Ranipet, absolutely necessary.

The extra expenditure involved can be met from the General savings under 25 Jails and Convict Settlements a.c.2 Central Jail Pay or Establishment - Voted.

C.No:351 B From the C.I of certified schools, No: G.30

d/ 22-1-32

Junior certified school, Bellary - employment of a whole-time sub asst surgeon.

Prior to 1st Novr. 1931 the Junior certified school for the Belagavi districts was at Rajahmundry and a sub asst surgeon of the Central Jail, Rajahmundry, was discharging the duties of the medical officer of school ~~and~~ on receipt of an allowance of Rs 25 a month for the addl. work. The school has now been removed to Bellary and housed in a portion of the Alipuram jail building. In October last, the Chief Inspector proposed that a sub asst surgeon of the Alipuram jail might be appointed as the medl. officer of the school on payment of an allowance and that after the Alipuram Jail was closed, a sub asst surgeon in the Wellesley Sanatorium Jail, Bellary, might be entrusted with the duties of the medical officer of the school. In G.O.No: ~~2048 Gen-4~~ 1-12-31 the Govt approved the first of these proposals and reserved the second for consideration when the Alipuram jail was closed. It is understood that the Alipuram jail will be closed by the end of the current official year. The Chief Inspector now reports that the sub asst surgeons in the Central Jail, Bellary, ~~2~~ in the Wellesley Sanatorium Jail have all got as much work as it is possible for them to properly carry out and ~~he~~ requests that sanction may be accorded to the employment of a whole time sub asst surgeon for the school as in the case of the certified schools at Chingleput and Ranipet. This proposal should ordinarily be dealt with as a Part II scheme.

Further, the necessity for a whole time sub asst surgeon for the school is not clear. For the last six years the school has ~~been~~ ^{worked} ~~carried on~~ with a part-time medical officer. In the Chingleput school, the strength is nearly 350 against 100 in the Bellary school. In the Ranipet school, the number of boys is almost the same as in the Bellary school but there is no jail or other institution ^{in the station} which employs sub asst surgeons and no part time arrangement is therefore practicable. In Bellary, the Central Jail has a sub asst surgeon and the Sanatorium Jail has two sub asst. surgeons besides a whole time medical officer as Supdt. It should therefore be possible to arrange for a part-time medical officer for the school. In these circumstances, it is for orders whether the Chief Inspector may be informed that the Govt are unable to approve his proposal for the appointment of a whole time sub asst. surgeon for the school.

stringency, it does not seem possible to consider this proposal. In any case it would hardly be a full time job.

A memo or v.o note to the C.I. may be put up. AS, 3-2

A draft v.o. note is submitted

Junior Certified School, Bellary.
Employment of a whole-time sub-assst
surgeon - Chief Inspector's letter
no. G 80 D 22.1.32

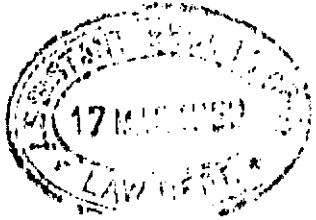

In October last, the Chief Inspector proposed that a sub-assst surgeon of the Alipuram jail might be appointed as the medl. officer of the Junior Certified School, Bellary, on payment of an allowance and that after the jail was closed, a sub-assst surgeon in the Wellesley Sanatorium jail, Bellary, might be entrusted with the duties of the medl. officer of the school. In G.O. no. 2048 Ed., D. 1.12.31, the Govt approved the first of the proposals and reserved the second for consideration when the Alipuram jail was closed. The Chief Inspector, however, now says that the sub-assst surgeons in the Central jail and the Wellesley Sanatorium jail have not got as much work as it is possible for them to properly carry out and requests sanction to the employment of a full time sub-assst s. s. s. to

the school as in the case of the
 certified schools at Chingleput and
 Ramipet. The necessity for a full time
 sub-assistant surgeon is not clear.
~~There is only hardly any full time work for the surgeon.~~
 In the Chingleput school, the strength
 is nearly 350 against 100 in the
 Bellary school. In the Ramipet sch
 the number of boys is almost the same
 but there is no jail or ^{other} institution in
 station which employs sub-assistant
 surgeons and no part time
 arrangement is, therefore, practicable
 further, in the present financial straits
 it does not seem possible to consider
 the proposal. ~~proposed appointment of~~
~~an additional sub-assistant surgeon.~~
 The Chief Inspector ^{states} that
 the Central jail is situated three
 miles away from the certified sch

Junior Certified School, Bellary - Employment of a whole-time Sub Assistant Surgeon - Ref:- Law (Education) U.O.
Note No.351-B-1, dated 18th february 1932.

R e s u b m i t t e d .

2. A copy of letter No.Dis.318/32, dated 4-3-1932 from the Superintendent, Junior Certified School, Bellary explaining in detail, the necessity for the appointment of a wholetime Sub Assistant Surgeon in the school is enclosed.

3. At present the two Sub Assistant Surgeons attached to the Wellesley Sanatorium Jail, Bellary which is $1\frac{1}{4}$ miles away from the school, have their time fully occupied and it will not be possible to spare any of them for duties outside the institutions unless Dr.H.T.Ince, I.M.D., is retained as the whole-time Medical Superintendent of the Wellesley Sanatorium Jail, Bellary in the event of the closure of the Alipuram Jail, Bellary as proposed in this office letter No.G.236, dated the 23rd february 1932.

4. In this case it may be possible to carry on treatment of the sick, etc., but it will be very difficult to spare a man from the Sanatorium to carry out all the detailed medical and sanitary work in the school.

5. It must be remembered that the inmates are children and it is not possible to provide nursing orderlies to look after the comfort and necessities of inpatients in the absence of the medical officer. These, except for short visits daily, will therefore be left to the care of unskilled persons.

Letter No.Dis.318/32, dated the 4th March 1932 from the Superintendent, Junior Certified School, Bellary.

With reference to your endorsement No.3146 dated 24-2-1932 regarding the retention of the Sub Assistant Surgeon attached to this institution as a full time officer, I have the honour to enclose herewith a copy of the letter from the Superintendent, Wellesley Sanatorium Jail, Bellary and to submit as follows.-

Next to the reformation of the Children of this School, their health is the chief consideration that occupies the minds of those who are interested in such institutions. This cannot be secured unless a whole time medical officer is attached to this institution in view of the present difficulties under which it is now placed. The school is already situated at a distance of 3 miles from the Central Jail and a mile and a quarter from the Sanatorium Jail. The question of getting medical help from the Central Jail is out of question. The Superintendent of the Sanatorium Jail is of opinion that he is not a whole time medical officer of that jail and as such he cannot spare the services of the Sub Assistant Surgeons attached to that jail for outside duties as their time is fully occupied. In spite of this difficulty if ~~the~~ any one of them is deputed to do the work in this institution, he will be a medical officer only in name and the boys will be left at the mercy of the nature to look after their health. For want of a full time medical officer for this school the medical and sanitary work is shared at present between him and us quite unsatisfactorily, as his services cannot be available throughout the day. For instance, he has to follow strictly the rules laid down in rules 68, 69 and 71 of the Madras Jail Manual which are all quite essential for the maintenance of the health of the boys and the sanitary condition of the school. This is not at all possible in the case of a part time Sub Assistant Surgeon and much less or rather miserably hopeless in the case of one who may be deputed from the Wellesley Sanatorium Jail. To add to the above difficulties, the members of the staff who live in the quarters allotted to them which are at a distance of about four miles from the Headquarter Hospital, Bellary cannot have the privileges laid down in Rule 56 of the Jail Manual unless there is a whole time medical officer attached to the school.

In the light of the above facts it is but essential that the school should have a whole time Sub-Assistant Surgeon. I therefore request that in the interest of the school children and the officials you will be pleased to request the Government to appoint a whole - time Sub Assistant Surgeon for the school.

Letter No.301 dated 1st March 1932 of the Superintendent,Wellesley
Sanatorium Jail,Bellary.

. . .

Ref:- Your letter No.295,dated 29-2-1932 and reference last para
of U.O.No.251-B-1,dated 18-2-1932 Law (Education)Dept.

There is no whole time medical officer as Superintendent of this
Jail. The Medical Superintendent is the whole time medical officer of the
Alipuram Jail.

The two Sub Assistant Surgeons attached to this jail have their
time fully occupied and it will not be possible to spare any of them for
duties outside this jail.

Please see the D.S.'s note on pages 2-3 ante and the Chief Inspector's reply on p.6 ante. The Wellesley Sanatorium Jail is $1\frac{1}{4}$ miles away from the certified school. The Supdt of this jail (Dr.H.T.Ince) is also the medical officer of the Alipuram jail. Orders have been issued for the closure of the Alipuram jail from the 1st April. It is understood that the Chief Inspector has proposed that Dr.Ince should continue to be in charge of the Wellesley Sanatorium jail even after the Alipuram jail is closed. This question is under consideration in the Law(General)Dept. If Dr.Ince is retained as the Supdt of the Sanatorium jail, he can also be the medical officer of the certified school and there will be no necessity for the employment of a separate sub asst.surgeon as the medical officer of the school. The Law(General)Dept may ~~see~~ ~~the case~~ be requested to note on this point

Law (gen) C

of the Sanatorium Jail during the absence
of Dr. Duce.

3. There is also a separate proposal
that Dr. H. T. Duce should be retained in
the Jail Dept. as full time Supt of the
Sanatorium Jail, Bellary, after the Alipuran
Jail is closed. The file on the subject
has gone to the Finance Dept for remarks.
This Dept has provisionally expressed itself against
the proposal.

subd. by Mr. D.G.

Dr. Duce was Supt of the
Sanatorium Jail and Medl
Officer of the Alipuran Jail

Finance also have not
accepted the proposal

18/1/4

4. The strength of the Wellesley Sanatorium
Jail, Bellary, was reported to be 165 last month.
It is likely to have gone down as some of
the Chappilla Rebellion prisoners who were
confined in the jail have since been released.
In addition to the Medical ^{Supt} ~~Officer~~ of the jail,
the medical Staff consists of two Sub-assst
Surgeons, one Compounder and six nursing
orderlies. It is therefore for consideration
whether independently of the question whether
Dr. Duce is to be retained as a full-time
Supt of the Sanatorium Jail, one of the
sub-assst Surgeons may not be detailed
for duty in the Belagavi school.

This is not likely to
affect the jail, as in
this jail are concentrated
all prisoners suffering
from tuberculosis.

18/1/4

The S.G. has stated ^{in his letter of 15.3.32} that the

15.3.32. 1/4

two Sub Ass Surgeons attached to
the Wellesley Sanatorium jail, have
them time fully occupied & that it will
not be possible to spare any of them
for duties outside the institution.
Recently the S.G. proposed to

p 6. ante

that a separate medical officer for the Sanatorium Jail should be appointed. This proposal was supported by the Surgeon General who said that for his special Jail an officer with previous experience & training in that particular branch of work was essential. In view however of the financial stringency this Dept. could not see their way to accept the proposal. The case has gone to Finance. It is understood that they too have advised against the app^t of a separate med^l officer for the Jail. In the event Major Ramanan, DMS who has been posted as Supt. & med^l officer of the Central Jail Bellary will have to ~~have to~~ attend to the duties of Supt. & med^l officer of the Sanatorium Jail also. As there is no prospect of a separate med^l officer being app^d for the ^{Sanatorium} Jail, the two Sub Asst. Surgeons must continue to do duty in that Jail. And if one of them is taken away for duty elsewhere, the Dept. will be much handicapped.

work as they can do. It is also not very desirable
that the S.A.S. working after tuberculous
patients should at the same time attend to the
medical needs of the Certified school

W
2/1/22

Law (E)

It maybe possible to meet the extra
cost in the current year from the sanction
allotment for certified schools.
The case maybe sent to Finance
for acceptance of the proposal. L.S.G.
may also see the case.

Jail building. While at Rajahmundry the Sub-Assistant Surgeon of the Central Jail, Rajahmundry was discharging the duties of the medical officer of the school on an allowance of Rs 25 per month for the additional work. The Chief Inspector of Certified Schools recommends the appointment of a whole time Sub-Assistant Surgeon for the school with effect from the date of closing of the Alipuram Jail, Bellary. He has stated that it is not possible to depute any of the Sub-Assistant Surgeons employed in the Central Jail, Bellary or from Wellesley Sanatorium Jail, Bellary to the school, as they have all got as much work as it is possible for them to properly carry out and that the Central Jail, Bellary, is situated 3 m away from the school. The extra cost involved in the proposal comes to Rs 1635 per annum; ^{against this,} ~~and the difference~~ *there will be a saving of Rs 240 per annum on account of the allowance granted to the Sub Assistant Surgeon for the additional medical charge and that of a full time appointment for the additional medical charge of the school.* ~~ment is Rs 1395.~~

3. Reference is in this connection invited to Chief Inspector's letter on pages 1-2 of G.O. No. 20 Law (Edn.) dated 1-12-1931 in which he recommended the medical allowance may be permitted to be drawn by the Sub-Assistant Surgeon of the Alipuram Jail at the closure of the Alipuram Jail and by the Sub-Assistant Surgeon, Wellesley Sanatorium Jail thereafter. The school has only about 100 boys and a part-time

medical needs of the boys till now. In view of the present financial stringency, Finance may suggest that the part-time arrangement proposed by the Inspector General in October last should be adopted.

4. If, however, the Law Dept. press for the employment of a whole-time Sub-Assistant Surgeon, the proposal should be treated as a Part II scheme for 1933-34, unless the Law Dept. consider that the additional Sub-Assistant Surgeon should be sanctioned in the current year itself, in which case they may be requested to obtain the orders of the Cabinet after placing the proposal before the Finance Committee.

SR
C9532
RAY
9.5.32

This case seems scarcely
strong enough to go before the
Cabinet. Perhaps we may
inform the C. Inq. that he may bring
the scheme forward as a Tax II
Scheme in connection with the
1932-33 budget
